III. Corporate Officer's Report

a. Dr. Winsor reviewed the Reopening Checklist. The ADHS Dashboard shows that info as of Sept. 20<sup>th</sup>, there had not been a steady decline in cases, there was an increase from previous. Paideia's checklist is not currently being met for reopening.

b. Outdoor Redesign Project- No bids have been received as of October 2<sup>nd</sup>, so new deadline has been extended to December 15<sup>th</sup> for companies to submit bids.

IV. Instructional Delivery Model as of October 26, 2020

Ms. Garrison, Mrs. Lesperance, and Ms. Bishop explained that a panel of teachers explored a variety of options with pros and cons on the different options of reopening.

- a. Continue with online/ distance learning- They recognize the need of doing more direct instruction and providing more materials to scholars. Teachers and Executive Leadership Team leans towards staying on this instructional model.
  - i. Pros- Implementing the new organization ideas it would allow for small group meetings in the afternoon, staff wouldn't have to manage both in person and online, no concerns of contact tracing for those learning at home, Go Guardian being used in 6-8 effectively
  - ii. Cons- Difficulty with scheduling specialist schedules, scholars struggling with logging back in for lessons during the afternoon, problem with keeping scholars logged in for full day of instruction and logging in to outside programs, some scholars have no supervision at home
- b. Parent choice in class or online-distance-
  - i. Pros- None provided
  - ii. Cons- Not enough staffing to keep numbers low, teachers concerned with effectively monitoring both in person scholars and online scholars at the same time, scholars would have to change teachers, which would split up classroom cultures that have been built.
- c. Hybrid A/B split live on-campus/ online-
  - i. Pros- None provided
  - ii. Cons- Lack of contact tracing control with going to multiple locations, concerns about safe return, concerns on effective ways to separate on-campus classroom scholars from those mentor scholars, concerns with how teachers can manage online and in person teaching
- d. Hybrid A/B split live lessons on campus and only morning check-in and afternoon checkout for online learning- Not recommended by teachers or Executive Leadership Team
